WE MUST NOT GO BACK!

Before abortion was legal, many women untwisted wire hangers like this one and inserted them into their vaginas all the way up into their uterus in a desperate attempt to abort unwanted pregnancies. Countless women, died in this way.

What is this wire coat-hanger?

Abortion on Demand and Without Apology FORCED MOTHERHOOD = FEMALE ENSLAVEMENT

On April 13th, Kentucky became the first state to stop abortions completely. If abortion rights are overturned by the Supreme Court, over 20 states will immediately ban or severely restrict abortion and this assault will accelerate from there.
